SCHOOL ATTENDANCE AND/OR GRADE LEVEL VERIFICATION:

In the case of a cheerleader attending a school other than the one she is zoned for by CFISD zoning rules, CFSA Cheer will allow the parent to select either the "zoned for" school or the "actual attends" school.

In the case of a cheerleader enrolled in a grade other than the one deemed by her age, CFSA Cheer will allow the parent to select either the "age appropriate" division or the "actual grade" division for the cheerleader.

In both instances, the parent must complete and submit this form, including verification, prior to the close of registration in order for the change in status to be made and considered for team formation. Once the verification has been approved by CFSA, the cheerleader's registration date / timestamp will be tied to the above named school of attendance / grade and will be used in team formation. This is not a guarantee that the cheerleader will be assigned to a specific team and does not give a higher priority in team formation.
